CONFERENCE TABLES

THE ULTIMATE IN PLUG & PLAY CONFERENCING

Meeting set up has never been simpler. Friant's innovative inset trough holds voice, data, and electrical outlets that keep cables organized and out of sight for an uncluttered surface conducive to focus and planning. The trough has a brushed opening and the capacity for enough voice/data and electrical wiring to power up each seat at the table. Additional cable storage space in bases.

Beneath Mesa's beauty is an ingenious design — power trough and bases that store and organize cables for a complete plug and play experience

Trough Intelligence

Friant's innovative trough organizes voice, data, and electrical cables with separate raceways for power and data.

Custom without cost

With three table shapes, a dozen edge finishes and multiple base finish options, each Mesa table can be designed with a unique aesthetic. Mesa marries beauty and functionality while remaining at a competitive price point.

CASEGOODS
CONFERENCE
MESA

Cables have two entry points to the power and data ports — through the top doors and the base columns with detachable covers. Open channel in the base also holds cables and wires.

Mesa makes connectivity easy with IT access integral to its design.

VOICE & DATA

Separate channels for voice and data keeps the cable area organized

Voice/data jacks and wiring not included.

POWER

Power capacity matches table seating, so each person at the table has a power and data outlet.

example:

An 8 ft. table has 8 outlets, a 12 ft. table has 12 outlets, etc.

Power strips are single circuit soft wire style plug-in.

For dimensions, see page 38

Mesa is as environmentally sound as it is innovative, with materials that offer air quality assurance and LEED point contributions for recycled content

*LEED point contributions will vary according to table specifications; this chart references the table shown on page 26

TERMS & CONDITIONS

PRICES

All prices are F.O.B. point. We reserve the right to change prices without prior notice.

ORDERING

Purchase Orders should be sent to Friant & Associates, LLC at orders@friant.com, or faxed to (510) 535-6895. If your specifications were created with CAP, GIZA, or Project Matrix please send the worksheet (SP4) with your Purchase Order.

TERMS

Net 30 days from date of invoice with established terms. Invoices are delinquent if not paid (30) days from date of invoice. In the event timely payment is not made, interest will be charged at the rate of 1.5% per month on delinquent accounts. Buyers will also be liable for normal collection costs and attorney fees.

ORDERS

Orders are only accepted by issuance of our formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for accuracy.

LEAD TIME

Lead times are subject to availability.

ORDER CHANGES AND CANCELLATIONS

Our order confirmation is final and binding. Any order change or cancellation is subject to our ability to conform. For the most up to date information, always review the order change/cancellation policy online. Allowable changes within the posted policy must be made in writing.

RETURNS

No merchandise may be returned without our written consent and shipping instructions, and are subject to a 35% restocking fee. Unauthorized returns will not be accepted and will be returned freight collect. All packages are labeled with contents, and it is the customer's responsibility to check box labels against the packing list for accuracy before opening. If correctly labeled and undamaged product is removed from its original packaging, Friant will not accept its return.

CLAIMS

We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. Claims for damage or shortages should be filed by the consignee with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. All claims against Friant for defects, errors or shortages must be made by Buyer in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance. All claims must be pre-approved and with a P.O. issued to Friant before reimbursement and/or reinstallation will be granted.

SHIPPING

Friant generally palletizes, boxes and/or shrink wraps its products. If Buyer requests additional packaging or special shipping, extra charges will apply. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

PARTIAL SHIPMENTS

We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments as merchandise is ready. Invoices covering these partial shipments are to be paid as they become due.

SHIPPING AND PREPAID FREIGHT

Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit. Please see our web site for estimated freight times.

DELIVERY

We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

STORAGE

If buyer cannot accept delivery when merchandise is ready, we reserve the right to transfer goods to storage. Costs of transfer and storage will be charged to the buyer's account, and we will deem such transfer as constituting shipment for all purposes, including invoicing, as of the date the transfer is made.

CONSTRUCTION - SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

COMPLIANCE WITH LAW

Purchaser is solely responsible for compliance with all applicable Federal, State and Local laws, ordinances, regulations, rules and standards relating to the installation, maintenance, use and operation of products.

CARE AND MAINTENANCE

Friant & Associates' finish provides excellent stain and mar resistance. Care should be exercised when cleaning. The following precautions will help keep the product looking new:

- Dust all surfaces on a regular basis with a soft damp cloth. Do not use spray polishes – especially those containing silicone.
- Lift all objects from the surface when moving – never drag objects across the surface.
- Metal objects should be kept from contacting the surface.

TERMS & CONDITIONS

LUNE AND SCOPE RIGHTS AND WARRANTIES – LIMITED LIFETIME WARRANTY

This warranty is given to the initial purchaser and is valid from the date of purchase, for as long as the initial purchaser owns the product. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. Normal usage is defined by 8 hour shifts in the product's intended application and in an indoor environment that conforms to the ANSI/ASHRAE Standard 55: Thermal Environmental Conditions for Human Occupancy (relating to air temperature, mean radiant temperature, air velocity, clothing insulation, metabolic rate, and humidity). Friant's warranty does not cover usage other than normal usage as defined in the previous sentence. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

MESA PRODUCT WARRANTY - 3 YEARS

This warranty is given to the initial purchaser and is valid from the date of purchase, for 3 years. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. Normal usage is defined by 8 hour shifts in the product's intended application and in an indoor environment that conforms to the ANSI/ASHRAE Standard 55: Thermal Environmental Conditions for Human Occupancy (relating to air temperature, mean radiant temperature, air velocity, clothing insulation, metabolic rate, and humidity). Friant's warranty does not cover usage other than normal usage as defined in the previous sentence. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

WARRANTY EXCEPTIONS:

- Natural variations in wood grain, figure or the presence of character marks
- Matching of colors, grains, textures
- Changes in surface finishes due to aging or exposure to light
- Damage, marking or staining of surfaces due to contact with rubber or similar compounds
- Damage from sharp objects or imprinting from writing instruments, computer equipment or prolonged exposure to fluids or sun
- Checking or delaminating due to changes in temperature or improper care or storage
- Damage caused by misuse or improper care

High wear parts, such as wood veneer, fabrics, laminates, and other covering material/finishes, foam, glides, etc. are warranted for one (1) year. This warranty does not apply to damage caused by a carrier, alteration to the product not expressly authorized by Friant & Associates, nor to product considered to be of a consumable nature such as bulbs, light ballasts, etc. It also does not apply to "Customer's Own Material" (i.e. material specified by the customer that is not a standard Friant & Associates offering) used in the manufacture of Friant & Associates products.

Friant & Associates does not guarantee the matching of colors, grain or texture, except to within commercially acceptable standards. This includes normal variations between dye lots (fabrics).

A product will not be considered defective, and Friant & Associates will not be obligated to replace it, if it is not installed in a proper manner (i.e., product not leveled, not secured properly, etc.) or if it is not used in a manner and/or in an environment that constitutes normal usage, as defined above.

Except as noted above, Friant & Associates makes no express or implied warranties as to any product, and in particular makes no warranty of fitness for any particular use. At Friant & Associates' option, product repair and/or replacement are the customer's exclusive remedy for any and all product defects.

Friant & Associates shall not be liable for consequential, economic or incidental damages arising from any product defect.
